Released by NANOO Company Inc. from early March 2016, Dark Sword is a fast-paced hack-and-slash mobile role-playing game with weird character graphics but Get the love of many players around the world. After 3 years of success with the first version, NANOO has released a version of Dark Sword 2 with new features for you to explore. The Dark Sword 2 version was just released a few days ago, currently available on Google Play and the AppStore for mobile devices. Thus, this new version still bears the familiar role-playing action as the first version, and adds many new challenges, new game modes and slight improvements to the image. With this change, you'll get a feeling of experience both familiar and new. Gameplay added with new featuresBasically, Dark Sword 2 game does not change much about gameplay, just add a new game mode. The plot mode remains the same. In the first version, there is only one character equipped with armor to fight. But with this new version, the game has up to 4 female characters that can be played with different weapons and skills for you to choose more diverse for your adventure journey. A new addition is that the game has been expanded to allow you to activate up to 8 different skills on the screen, pretty much compared to standard ARPG games. What's even more striking is that you won't be alone in this game, you'll be able to form a 3-member lineup and fight enemies. You'll also be given the option to play more powerfully with the card system and co-op team mode. Regarding the controls, you can easily manipulate joystick movements and the right skill buttons for flexible character control. And the game will still have an automatic battle mode for rest and still complete the task in the game. You'll be involved in over 100 missions with different challenges. Please constantly your character with different items, gears, and parts. The enhanced graphics ofDark Sword 2 game still take you into the context of the science fiction world, with its dark and mysterious image style. You can easily see that the image style in the new version is the same as the old version, but it has been slightly improved in quality to bring a clearer image. You will enjoy the beauty of dark action with cold-blooded soldiers. His character is still a dark shadow, emerging with greatness through appearance. To improve the coolness of dark style images, developers have chosen brilliant lighting effects. Download Dark Sword 2 MOD APKIt can be seen that Dark Sword 2 is a good upgraded version compared to its senior released 3 years ago. The action style with the new mode is more interesting, the graphics are clearer than the two latest elements between the two versions.
